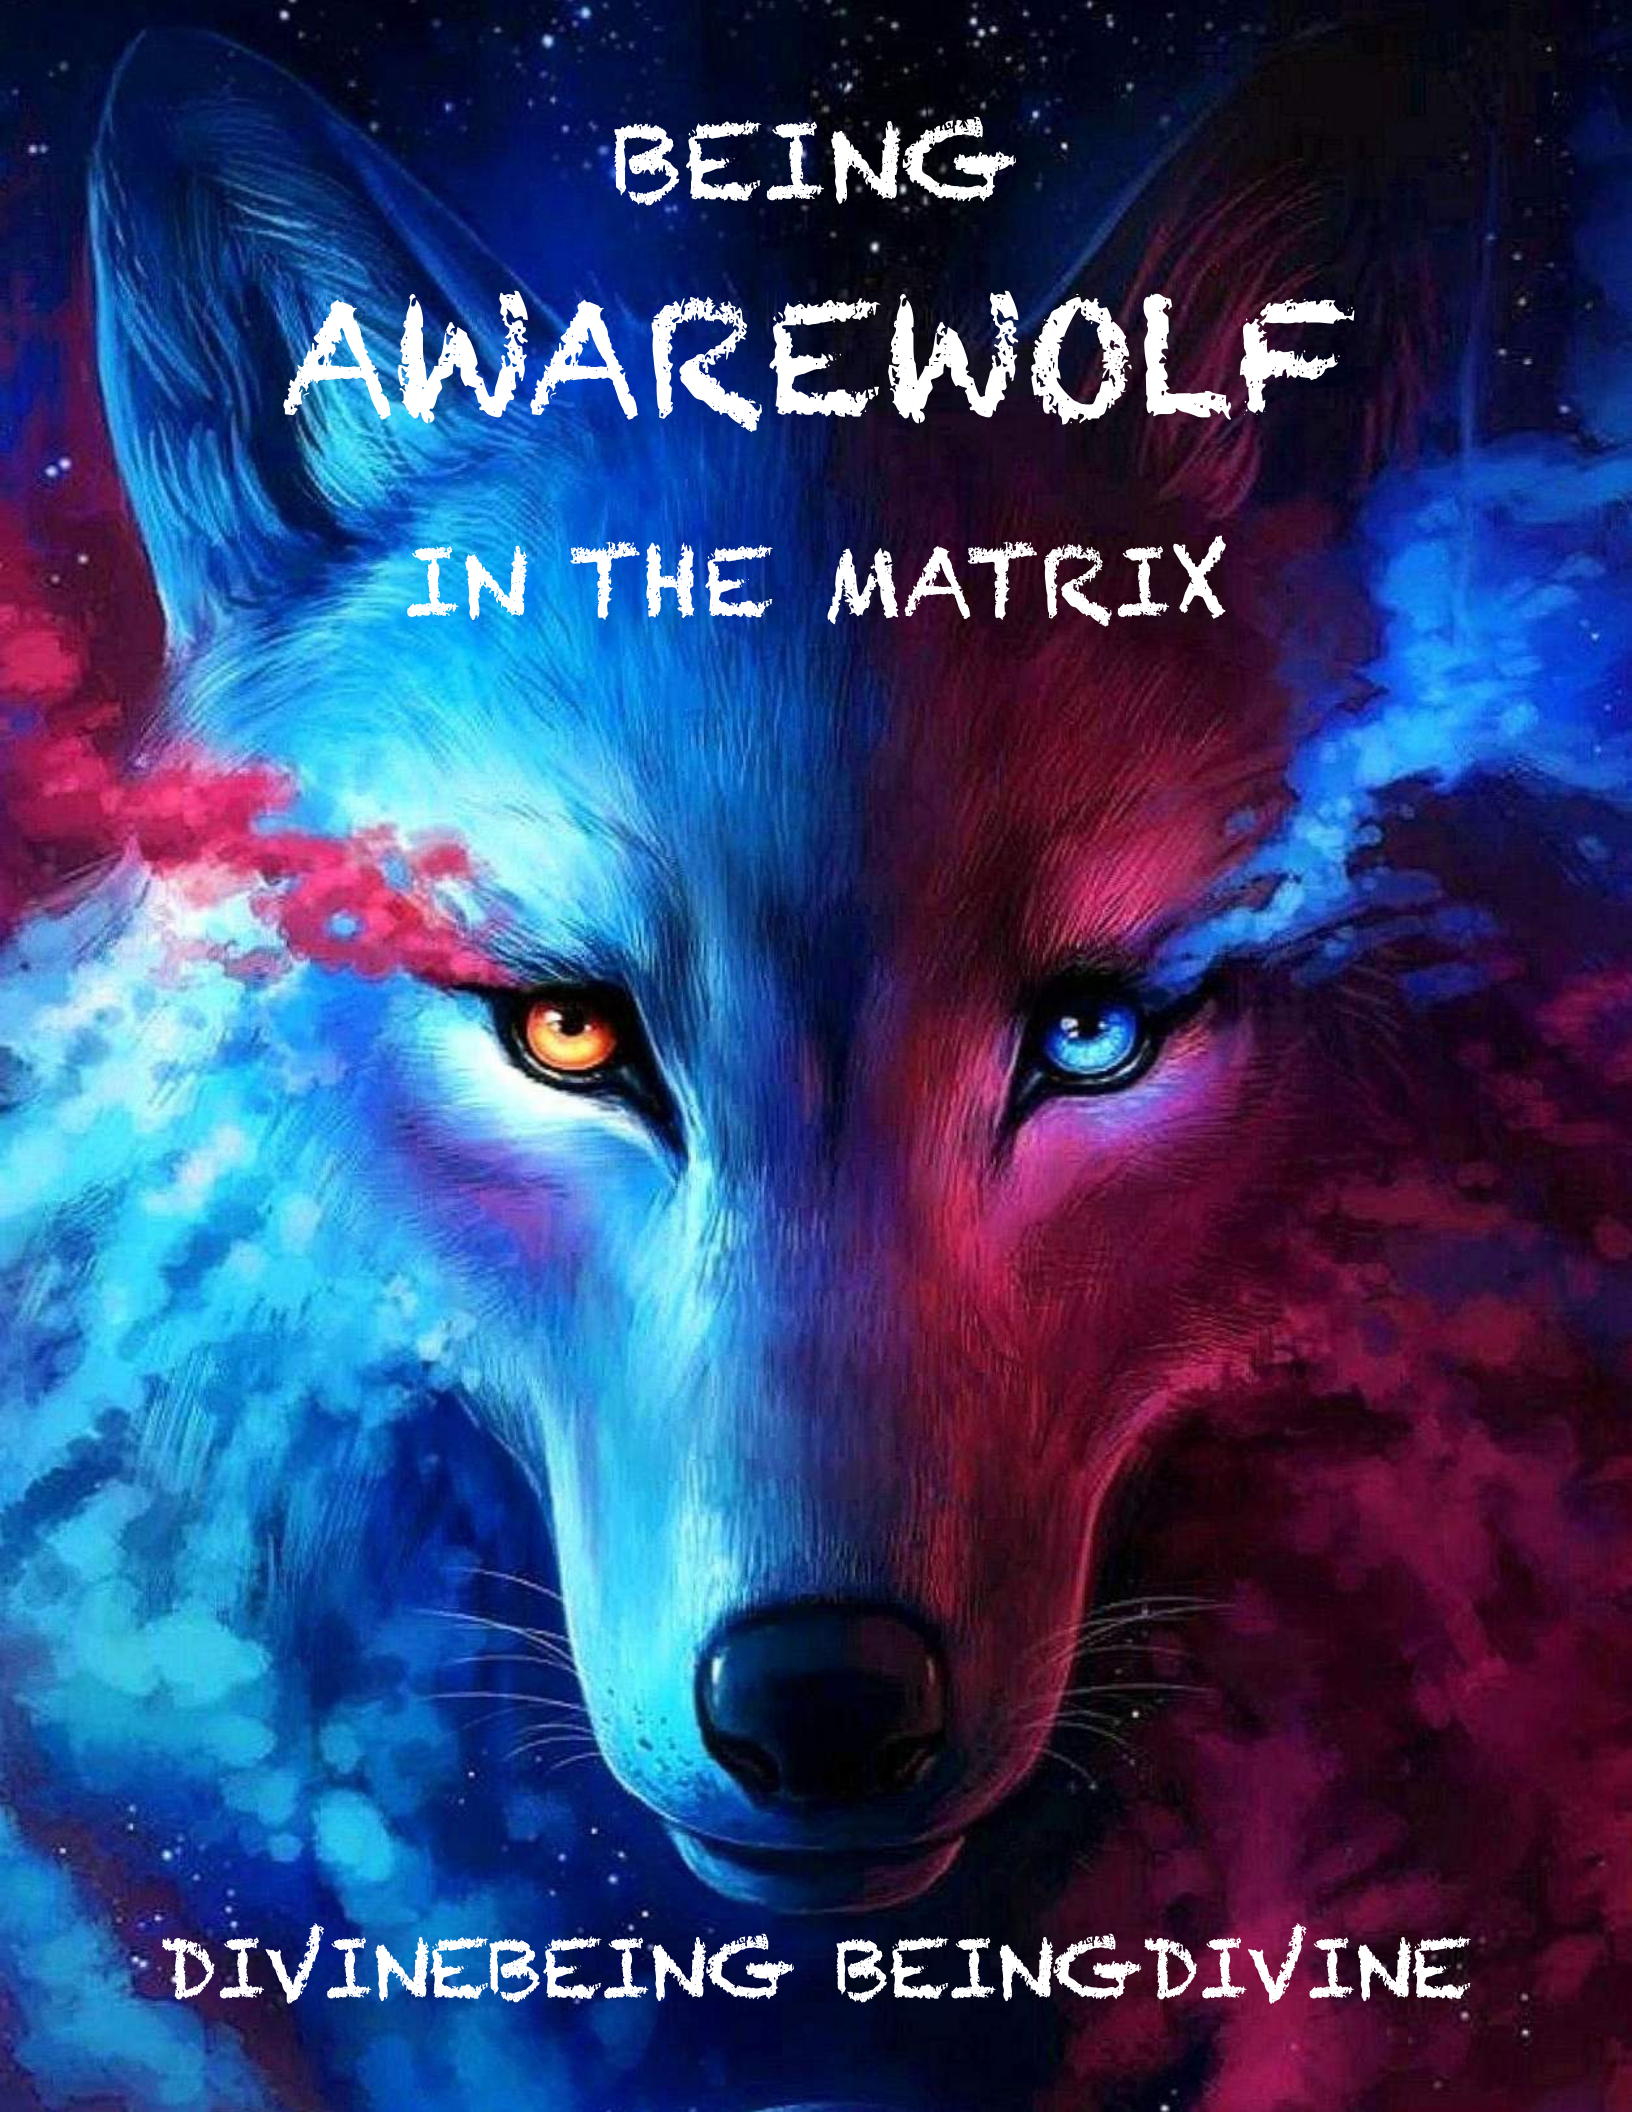
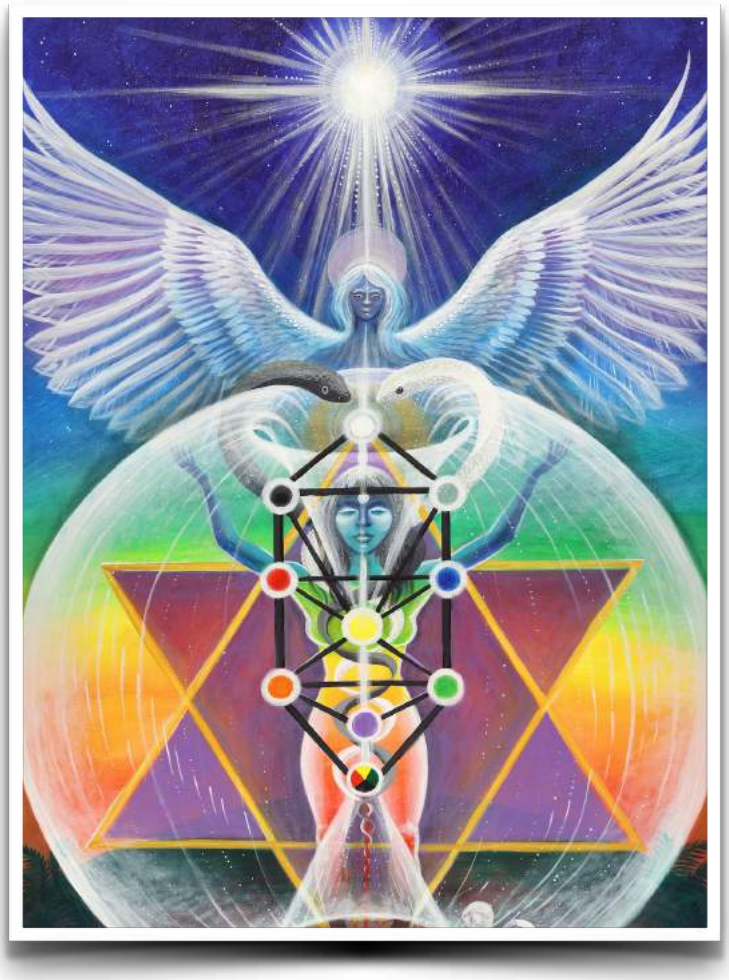
BEING AWAREWOLF IN THE MATRIX



DIVINEBEING BEINGDIVINE

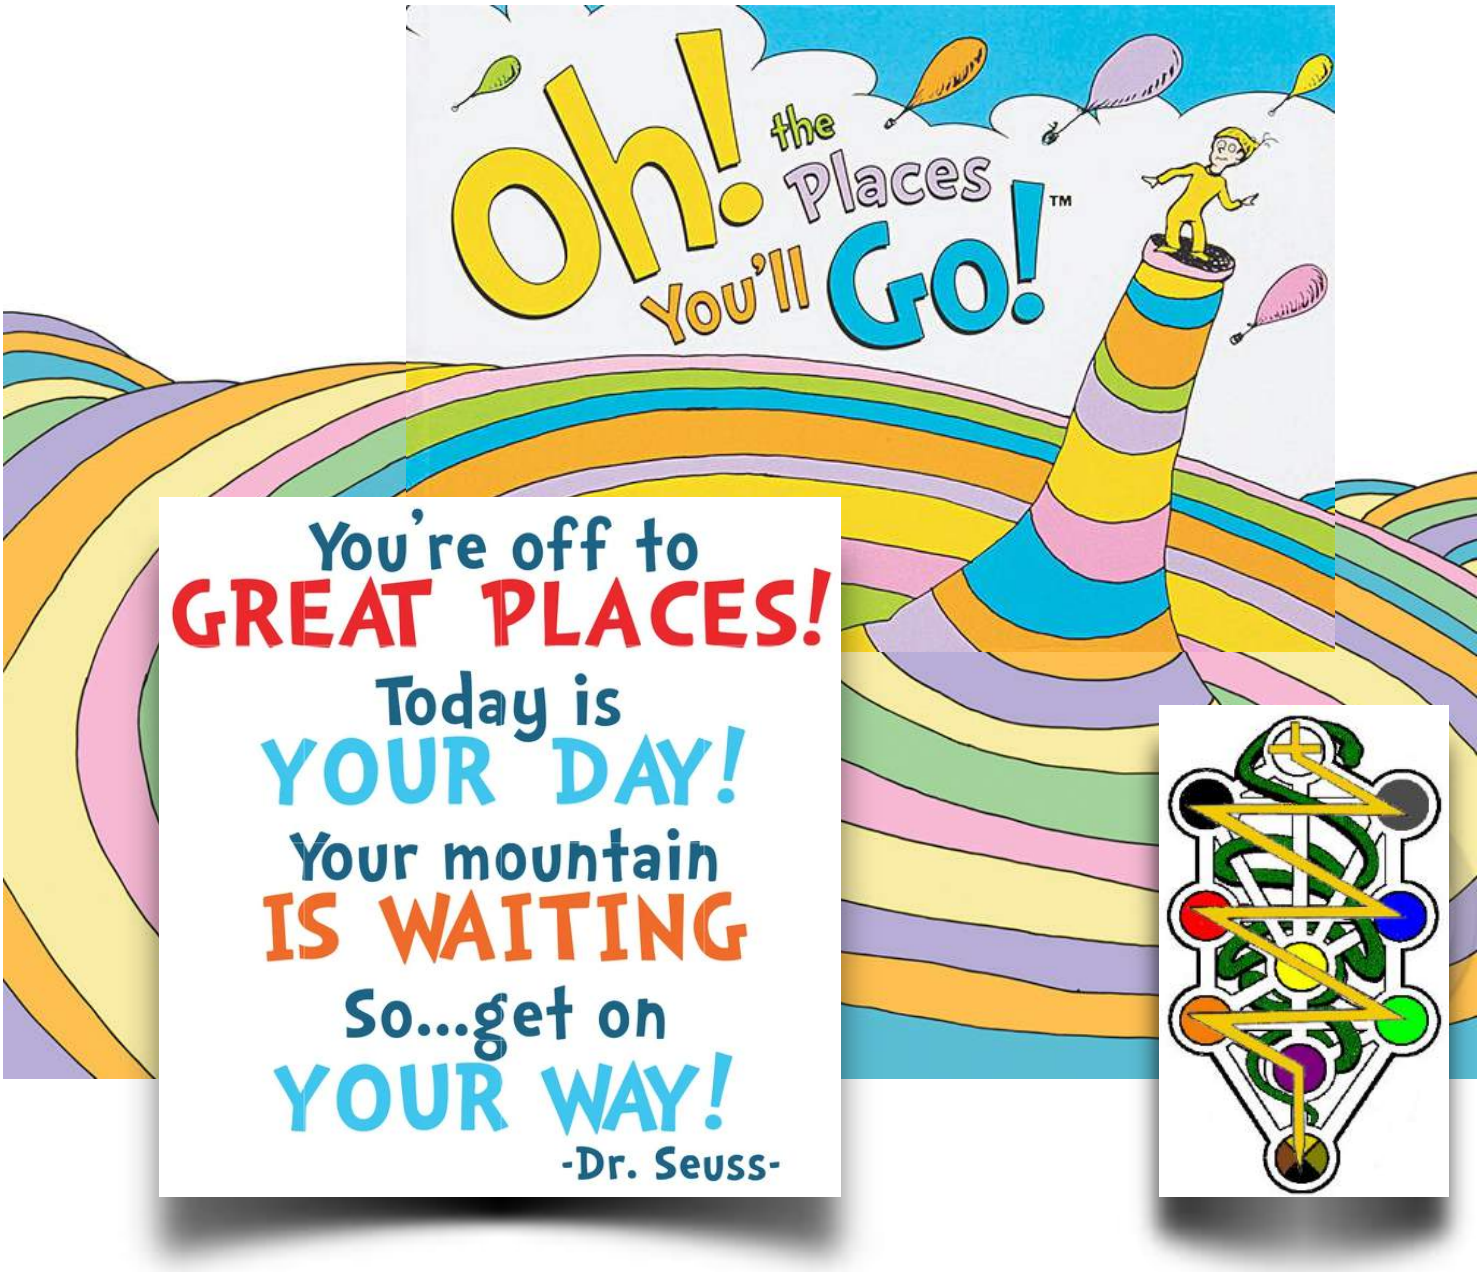
ARE YOU THE ONE OR THE TRINITY?



In the Matrix Series; NEO is the MAN and TRINITY is the WOMAN. We come from ONE and we split into TWO for the simple joy of becoming ONE again.. The HOLY SCIENCE is to become WHOLE, by Awakening or by Gaining as much information as possible To be Complete Again. Finding your ETERNAL FLAME. To discover Wholeness and Oneness, this is why we LONG for a Partner because as Fallen Angels we Miss our HOME. Returning to PRINCIPLE the Father. Mother Earth is the MATRIX MATerial world that we visit and pass through. Its a Learning Place for Humans.We are play things of the Gods. Like a Game of chess are you a PLAYER or an NPC (Non Playable Character)

Our Lower Mind DOESN't want us to reach En-Light-En-Ment or Light in the Mind. Our Higher Mind DOES want us to reach Enlightenment.

There is a Battle in the Mind going on within the Body & There's a Battle between Man playing out on here on Earth. That's what War of the Worlds means. Lust Greed and Desire can make us Animals, simply Reacting to things whereas being Human means to be Humane. We can be Influenced by the Lower Frequencies or ANGLES of LIGHT to become Demons or Angels. Thereby setting an Example for others to also be Tempted by their Egos which Amplifies the Negativity in this world. On the contrary we can Inspire others to be Loving and therefore Love will take over ManKind and Heaven on Earth will Appear as it will be filled with Angelic Loving Beings instead of Hateful Demonic Beings controlled by EGO.



CHAPTER 1:

To be AWARE is to be AWAKE

If you are AWARE that you are ASLEEP then you are not ASLEEP,
You Are AWAKE -DBBD

Part of the Awakening process is realizing that we are born on this playing field called EARTH as part of this Great Journey called LIFE. There are approximately 8 Billion seemingly separated participants in this world but we are all connected via ONE MIND. Therefore LIFE is a DREAM but it can also be a NIGHTMARE.

We all want to LIVE THE ULTIMATE DREAM obviously. We all deserve to live Beautiful Abundant and Luxurious LifeStyles and that doesn't have to come from a Materialistic or Capitalistic Mindset. We can find Happiness INTERNALLY while also living Comfortable and Extravagant lives EXTERNALLY.

The Truth is our Souls need LOVE in order to EVOLVE spiritually. We need Motivation Encouragement and Self Love as well as Nurturing and Nourishment such as living by the Higher Ethics, Practicing the 7 Virtues while abstaining from the 7 Vices and choosing Healthy Habits like Veganism over Junk Food and Drinking Alcohol in order to become the Greatest Version of Ourselves. Our intention is Everything. Why are we here? It is Ultimately up to Us.. What is your Inner-Determination? Nothing has ever been done without Intention. Everything and Everyone has a Purpose that is Self Given. YOU ARE WHO YOU CHOOSE TO BE. The Universe is happening For Us not To Us. We are here for each other to remind each other that we are part of a much Larger Self. Therefore Nothing is Random & WE ARE ALL IMPORTANT PIECES to the PUZZLE. The BIG PICTURE.

All is One & One is All / All is Sacred & Nothing is Wasted.

How can you serve the world? I have made such an impact in peoples lives that they present their best versions of themselves to me…No Matter where I go.
Don't hold back, and Risk being seen in all of your Glory because you can fail at what you don't want, so you might as well take a chance at doing what you Love.
-Jim Carey

To be Sovereign is to have Self Superior Rulership over yourself.

Sovereign = Sover Reign = Super Reign

No man is meant to Rule over other Men and Women. Man and Woman are meant to Rule over themselves and no one else. Not to be Ungovernable but to be Self Governing. An independent person needs a GovernMent to Govern or Control their Mind.. An Independent person can Govern their OWN Mind.

When we Operate through LOVE that's when anything is Possible. It is FEAR that Limits us. The TRUE ENEMY of GOD Nature and Humanity is the PREDATORY ENERGY that wants to OPPRESS us of our FREE WILL, Strip away preserved knowledge and TAKE AWAY our Natural Rights including our ability to Experience Explore and Express ourselves on this Beautiful Plane we call Home.

CHAPTER 2

CLIMBING OUT OF THE RABBIT HOLE

One who thinks deeply can be quite insane but one who thinks clearly can be quite sane -Nikola Tesla

My Mother had taught me to seek all truth in the Bible -Nikola Tesla

We can choose to GO DOWN the RABBIT HOLE or we can choose to CLIMB OUT of the RABBIT HOLE, by recognizing that we are that we born in a world of deception and lies mostly….Realize Real Lies with Real Eyes..

The ego will lie to you and tell you that you will never be enough…no matter what you gain, ego will not let you rest..open the door in your head and when the door opens in real life..walk through it. And if you miss your queue don't worry because there is always doors opening..you are always ready and able to do new things in this world.

Don't listen to that noise…keep letting your light shine.. the sun doesn't care what anyone thinks, it burns and it shines.

Why not Relax and dream up a good life…have faith in yourself, and do beautiful things in this world. Every single day we have a choice to let love or fear lead us in our lives..let us choose love and not ever let fear turn us against our playful hearts. Let us have Superb Optimism and Infinite Creativity

How tricky is the ego that it'll tempt us with a promise of something that we already possess? -Jim Carey

The ULTIMATE Goal is to RETURN to the PRINCIPLE

AKA THE CREATOR (THAT WHICH IS UNCREATED)

THE KINGDOM OF HEAVEN IS THE AETHER WHICH IS STATIC AND STILL. ITS THE PROMISED LAND CALLED EDEN.

THE EARTH IS (THAT WHICH IS CREATED)

AKA CREATION THIS CURRENT PLANE OF EXISTENCE..WHICH IS THE ATTRIBUTE OF THE ONE.

A PERPETUAL DYNAMO OF REST AND MOTION.

CHAPTER 3:

The age of AQUARIUS

We are currently at the Dawn of a New Age called Aquarius, Which is Symbolized by The Man Bearing a Pitcher of Water on his shoulder and pouring it out to the World..

This represents “Giving” and “Abundance” as well as “Clarity” and “Cleansing”…At this Time the Collective Consciousness is Evolving from Beliefs and Religious Systems to Knowing the truth about themselves, who what when where are why we are here…

The Golden Age is RULED by the Golden Rule - (Treat others the way you want to be treated) We can LOVE our enemies and forgive them for they know not what they do.

All spirituality is about relieving suffering -Buddha

The Age of Belief is over
(Religion is Falling)
The Age of Knowing and has begun
(Spirituality is Rising)

WE STAND ON THE SHOULDERS OF GIANTS.
THIS IS THE AGE OF INFORMATION -DBBD

JESUS is THE PHALLUS and THE SUN
He also represents Jupiter/Zeus who Rules PISCES
MARY is THE WOMB and THE MOON
She also represents Venus/Aphrodite who Rules VIRGO/LIBRA

The HOLY SCIENCE is to become WHOLE again
and not be missing anything.

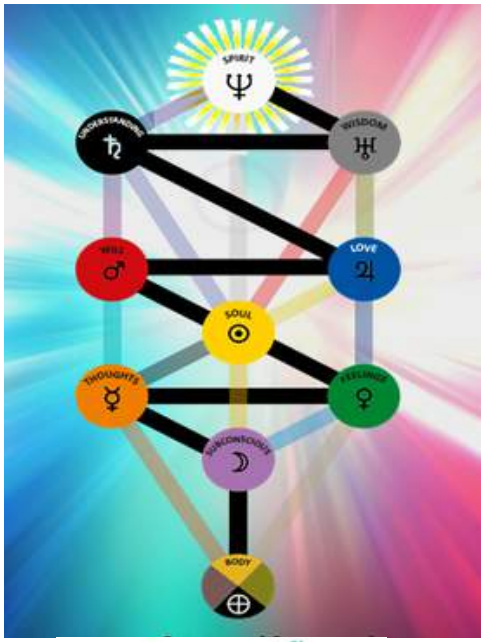
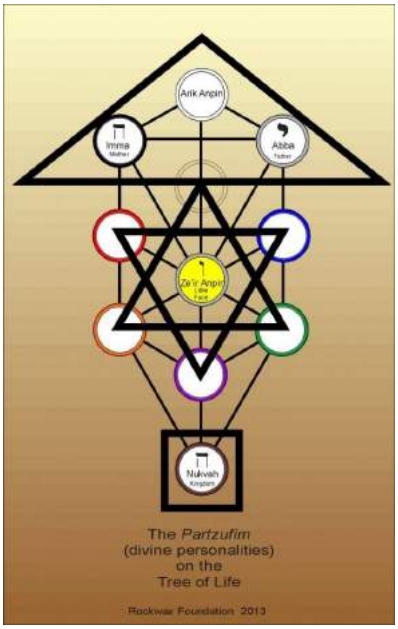
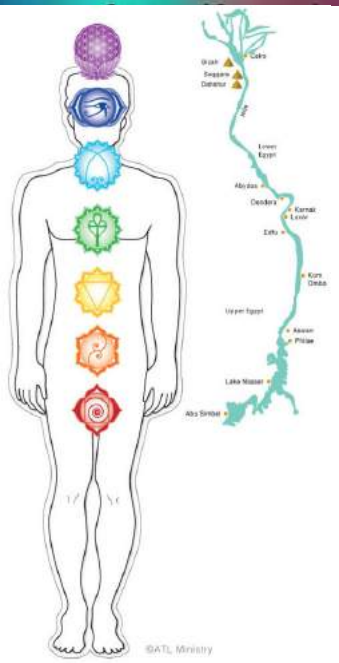
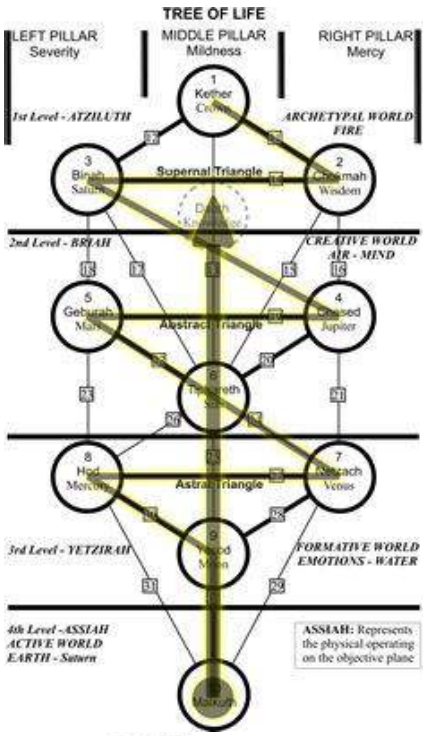
Hermes Trismegistus = Three Times Greatest was a GREAT KING(Body) PHILOSPHER(Mind) & PRIEST(Soul)

The Man who is holding up the Heavens is Shu aka ShuShuMna or the Spine. Hes the ChiChimney that Santa goes down and goes back up to gift humanity; those who are Good. Our frequency can be raised from root to crown & also from left hemisphere to right hemisphere which is the integration of Both Hemispheres called Hemi Sync. It's a Diagonal Process. From bottom left to top right like the Yin & Yang. Jesus sits at the right hand of god. Spring is when Easter is celebrated its about remembering the Resurrection of christ. the rise erection of the golden oil as the sun enters the north hemisphere of earth, similarly our frequency enters the right hemisphere of the brain. The word Chrysos in Greek means Gold, and this is why Christ must Return. The Golden Oil goes Down then Back Up. Our spinal fluid is Silver at the base &turns Gold as it reaches the Pineal Gland making contact with the 3rd Eye and activating it Thus illuminating the Crown chakra resulting in a magnified aura or an intensified electromagnetic field which is Toroidal in structure. The Love Emotion / Essence is Essential as the Heart is what produces the bodies Bio-Energy Field which is Magnetism that Radiates from the Core of our Bodies. Essere in Latin means "To Be". We can (Transmit and Receive) Ether Energy this is what 369 is all about. The Pineal Gland is a Transceiver Antenna. When we finally combine our chakras we are now tapping into the Unified Field that creates Dynamic Peace Waves that effect Ourselves and Others in a Healing Positive way. We must marry the Self because we are Divided as we have seven chakras that must be ReAligned. We came from purity then became impure as we have fallen from Eternal Souls to Beings with Temporal Bodies that are Born and eventually Decay.. We are fractals of infinite consciousness. We are fractured light & need to Re-Integrate back to the Absolute. The Merkaba Light Spirit Body vehicle is The Ark of Noah that is Essential to survive the incoming catastrophe. These lockdowns are warnings for us to start preparing our boats to survive the incoming waves of Higher Frequencies that are incoming as we go from the Age of Pisces (Religion and Believing) to the Age of Aquarius (Spirituality and Knowing). Amplify your Aura & Be Magnanimous.









ISAIAH 14:29 Rejoice not thou, whole Palestina, because the rod of him that smote thee is broken: for out of the serpent's root shall come forth a cockatrice, and his fruit shall be a fiery flying serpent.

INTERLUDE

THIS BOOK IS MEANT FOR THOSE
WHO ARE READY TO BECOME MASTERS OF
THE UNIVERSE. BE DIVINE, CHOOSE LOVE OVER FEAR,
AND ACCEPT THAT YOU ARE A DIVINE BEING
-DBBD

"Truth, Certainly, That which there is no doubt…that which is above is from that which is below and that which is below is from that which is above..working the miracles of 1.. as all things were from ONE. Its father is the sun and its mother is the moon..the earth carried it in her belly."
-The Emerald Tablet of Hermes Trismegistus

The Sun is the Father (Abram) who corresponds with the Pineal Gland.. and the Moon is the Mother (Sarai) who corresponds to the Pituitary Gland. Joseph and Mary, Adam and Eve, odd and even.. and the tree of life is your spine. Its the highway to the infinite..it is also the way to the bottomless pit, if we are tempted by our lower minds and our senses.

A TRUE PHILOSOPHER is one who lives above the Senses. It is part of our mission on Earth to RAISE our AWARENESS so that we can move throughout life with Ease and to perceive the world through the eyes of Non Domination as we are all RELATIVES to eachother..Minerals Plants Animals Humans and The Stars/ Angels.

CHAPTER 4:

Spiritual Warfare

#5Dnot5G #MindOverMatter #NatureNotNano #HugsOverDrugs #PlantsOverPills #GratefulOverHateful

What does it mean to Align the Chakras, and Raise your frequency? It is the Concept of Reaching your Higher Self, and Experiencing Bliss through transcendental meditation… It is an Ancient Technique that gives us the Ability to Heal ourselves and others through Love.

The MAHARISHI EFFECT is the Human Version of the 100th Monkey Effect. Generating Peace Waves that effect Others in a Positive Way.
We are Transcievers..The Pineal Gland is a not just a Receiver like an Antenna, it is also a Projector..We can be the Change we want to see and make the world a better place.

Psalm 45:7 You love righteousness and hate wickedness.. God has anointed you with the oil of gladness above your fellows."

The Governments of the world RULE the Populous through FEAR and DESIRE.. By Inducing fear and making us afraid to lose what we have and by making us Desire what we don't have.
The Human being exists today as it always has..an intelligent design As our ancestors have obviously preserved so well..we also have the ability, opportunity and responsibility as well. Today Birth Rates are lowering, people are becoming sterile and infertile and unable to Reproduce children our Nature is being altered and Our natural environment is being Replaced with artificial systems and disruptive technology.

What does it mean to be a natural energetic being And to exist in relationship to other beings and the universe in general.. as a being of frequency water, atoms, ElectroMagnetism and ether.

We are not controlled by genes like a computer program is ran by codes..Genes are a biological tendency for expression. Changing our state of consciousness can influence or even change the tendency for expression to a different manifestation completely. Our code can actually be rewritten via our thoughts. The power of the mind in tandem with a healthy body and soul.

All World GovernMents do not want us to CONNECT. They want us WEAK BODIED, WEAK MINDED & WEAK WILLED.

The United Nations are EXTREMELY Dehumanizing and AntiLife.
In order to Maximize Human Potential, we must Integrate the 3 Aspects of the Human Being, Mind Soul and Body.

We are Denied access to EARTH AIR WATER and FIRE, and The Aether Itself is being Denied of its Existence. We can we EVOLVE SPIRITUALLy with such an oppressive GovernMent.
We must be Self Governing before Its too late.
WHAT WOULD JESUS, BUDDHA, KRISHNA, THOR, HERMES & HORUS Do?

We can come together during this time of CONNECTIVITY and INFORMATION via High Speed INTERNET. Before it's too late.

Matthew 25:32 All nations will be gathered before him & he will separate the people one from another like a shepherd separates the Sheep from the Goat.

The GovernMents SOLE Purpose is to keep us from Waking Up, and Liberating Ourselves. Light is Knowledge, Therefore if we look at the Statue of Liberty who is stepping on a broken chain with the Light being carried above the Head which represents Light in the Mind or EN-Light-EN-Ment, We can also see that She is also a He. A HermAphrodite aka Hermes and Aphrodite. Male and Female can be Liberated through UNITY, And INTEGRATION of Love and Light. We can BREAK FREE by simply Asking Questions and Paying Attention which is FREE, or stay BLINDED if you remain IGNORANT. The MASKS, The Mandates and the Policies are meant to keep us POLARIZED and SEPERATED as oppose to being CONNECTED and UNIFIED.

A Fool is Full of Ignorance..

that's Anyone who ignores the truth.

John 8:32 Then you will KNOW the TRUTH and the TRUTH will SET YOU FREE

What's done in DARKNESS will come to LIGHT

"The Eye is the light of the body if therefore thine eye be made single thy whole body shall be full of light." Matthew 6:22

How to raise your frequency..By Raising your frequency (The Kundalini Serpent) and Activating the Merkaba aka The Interstellar Vehicle that allows us to Astral Travel or Traverse the Akasha. Becoming a common shaman or an Akasha Naut. Yoga Meditation is about making sure our Bodies Minds and Energy Fields are Coherent, Stable and Maximized to their full Potential.

Hermes Trismegistus was known as the "Thrice Greatest simply because he was a great KING PHILOSOPHER and a PRIEST. -Marsillio Ficcino (Pymander)

CHAPTER 6:

ATONEMENT/ ATTUNE-MENT/ AT-ONE-MENT

One unified field -dancing for no particular reason except maybe to entertain itself -Jim Carey

With Transcendental Meditation Negativity RECEEDS and Limitation fades… not only do we experience BLISS but we generate Dynamic Peace because we radiate outwards and affect others creating a ripple effect. Just by turning the mind within we can stir the medium ..we are split up between ourselves and when we marry the self that's when we come to the heart chakra." -David Lynch

CONSTRUCTIVE INTERFERENCE is REAL…Sympathetic Vibrations and Harmonious Frequencies can be felt by others.. By creating Dynamic Peace Waves we can create a Domino Effect of LOVE. Love is an Emotion which is Energy/Ether in Motion. Join the Movement of STIRRING THE MEDIUM as Nikola Tesla used to say.. "Another day Churning the Ether."

from Latin Simulacrum meaning "Likeness or Semblance" is an Artificial Representation or Imitation of a Person Place or Thing. Its the formation of something that is itself a copy of the real thing however it is ultimately an Image without the substance or qualities of the original. In his Sophist, Plato speaks of two kinds of image making. The first is a faithful reproduction, attempted to copy precisely the original. The second is intentionally distorted in order to make the copy appear correct to viewers. He gives the example of Greek Statuary which was crafted larger on the top than on the bottom so that viewers on the ground would see it correctly. If they could view it in scale, they would realize it was malformed. This example from the visual arts serves as a Metaphor for the philosophical arts & the tendency of some philosophers to distort the truth so that it appears accurate unless viewed from the proper angle. Most philosophers, by ignoring the reliable input of their senses & resorting to the constructs of language and reason, arrive at a distorted copy of reality. 12,000 People form the torch and 6,000 people form the Rest of the Statue of Liberty.

CHRIST IS WITHIN

1 Corinthians 3:16 Do you not know that you are the temple of God and that the spirit of God lives in you

Christ Returning or THOTH Returning is the Fusion Solution..Finding your BLISS. The Hospital Symbol, The Caduceus of Hermes. The Pathway to GRACE is Like raising mercury in a Thermometer we can raise our Consciousness from LEAD to GOLD. This is done through Discipline..by Grounding, breathing clean oxygen, having a correct posture and by practicing proper methods of living throughout your existence.

Jesus is the STAIRWAY to heaven, Jacob sees a Ladder & calls the land PINIEL as in PINEAL GLAND because the Ladder is the SPINE. In Norse Mythology it is the BI-FROST BRIDGE / Rainbow Pathway that takes THOR from Hel (The Root Chakra) to Mid Gard (The Heart Chakra) Then to Asgard (The Crown Chakra). THOR is you & your Spine is the Highway to the Infinite. The SUBTLE ENERGY within us travels From our HEELS all the way up to the HEAD. From Hell to Heaven. This is what EnLightEnMent truly is, Just like MERCURY in a Thermometer when we RAISE our FREQUENCY the ENERGY goes from BASE to APEX, Resulting in a Heightened Sense of Awareness, Enhanced Senses & An Intensified Aura which is a Magnanimous Energy Field around the Body that can Effect others in a positive way. We can HEAL others when we Radiate Peace Waves from the COR-a-zon HEARTS

John 6:32 Ill tell you the truth it was not Moses who gave you bread from heaven it was my father who is giving you the true bread from Heaven, Gods bread is the one who comes from Heaven and gives Life to the World

GOD IS LOVE & LIGHT

John 4:8 He that does not know Love has not come to know God because God is Love

John 1:5 God is light and in him there is no darkness

John 8:12 Jesus says, I am the light of the world and whoever follows me will never walk in darkness

Psalm 82:6 I have said you are Gods and all sons of the Most High

Titus 2:13 We wait for the blessed hope of the glorious appearing of our great God and Savior Jesus Christ

Genesis 1:1 In the Beginning the ELOHIM created the Heavens and the Earth
Genesis 1:26 God said let Us make Man in Our image after Our likeness

The Elohim are the Cosmicrators / Cosmic Creators that are known as the 7 Wandering Stars or 7 Luminaries. They are the 7 Days of the week and they are also the 7 Frequencies of the ElectroMagnetic Spectrum that we Identify as the 7 Colors of the Rainbow which all produce different Sounds that are also correlated to the 7 Vowels. They are also the 7 Spirits / Angels mentioned in the Bible that Represent the Lighter forms of Energy compared to the Descended or Materialized Forms of Energy which are Identified as the 7 Traditional Metals of Alchemy.

The word Metal / Metallo is the combination
of the words (Matter) and (Light)

LIGHT -Materializes as it Descends into Matter
MATTER -Sublimes as it Ascends into Radiant Light

Therefore we can consider the The EL-OHIM as the SUBTLE SPIRITS ABOVE (The 7 Non-Physical Celestial Bodies we call Planets) that reside in the LUMINIFEROUS AETHER aka THE HEAVENS & the Corresponding METALS can be considered as the GROSS EL-EMENTS BELOW that reside on this Terrestrial Plane we call EARTH.

SATAN IS THE GOD OF THIS WORLD

Isaiah 14:12 How art thou fallen from heaven o Lucifer son of the morning

2 Corinthians 4:4 Satan who is the God of this world hath blinded the minds of them which believe not..as a result they do not see the light of the gospel of the glory of Christ, who is the image of God

Rev 12:9 And the Great Dragon was cast out that Old Serpent the one called the Devil/ Satan which Deceiveth the whole world. He was cast out to Earth and his angels cast out with him

When we ALIGN the CHAKRAS we can find the Product of 144,000 when all the PETALS are combined in Totality from ROOT to CROWN.
It is important to Avoid anything that Disrupts the Human Energy Field and causes DAMAGE to the Physical body as well such as Alcohol and the consumption of Suffering Animals and Unnatural Substances.
We can Amplify our Auras and prolong our life, health and longevity by being around like minded people and others who share the same Ethics Morals and Values.. Rather than being around people who will Drain us of our Energy by distorting our BioFields due to poor astral hygiene..Negativity, Pessimism, Lack of Kindness and lack of Intelligence can make us feel WEAK, POWERLESS and CONFUSED.
Why should we Limit ourselves? Why should we settle for the very least knowing that INFINITE POTENTIAL and POWER exists EVERYWHERE, for ALL ETERNITY?
Its just a matter of Being Aware, and making a Choice.
CHOOSE LOVE & ACCEPT that you are a DIVINE BEING, BEING DIVINE.

MAN IS GOD ASLEEP
GOD IS MAN AWAKE

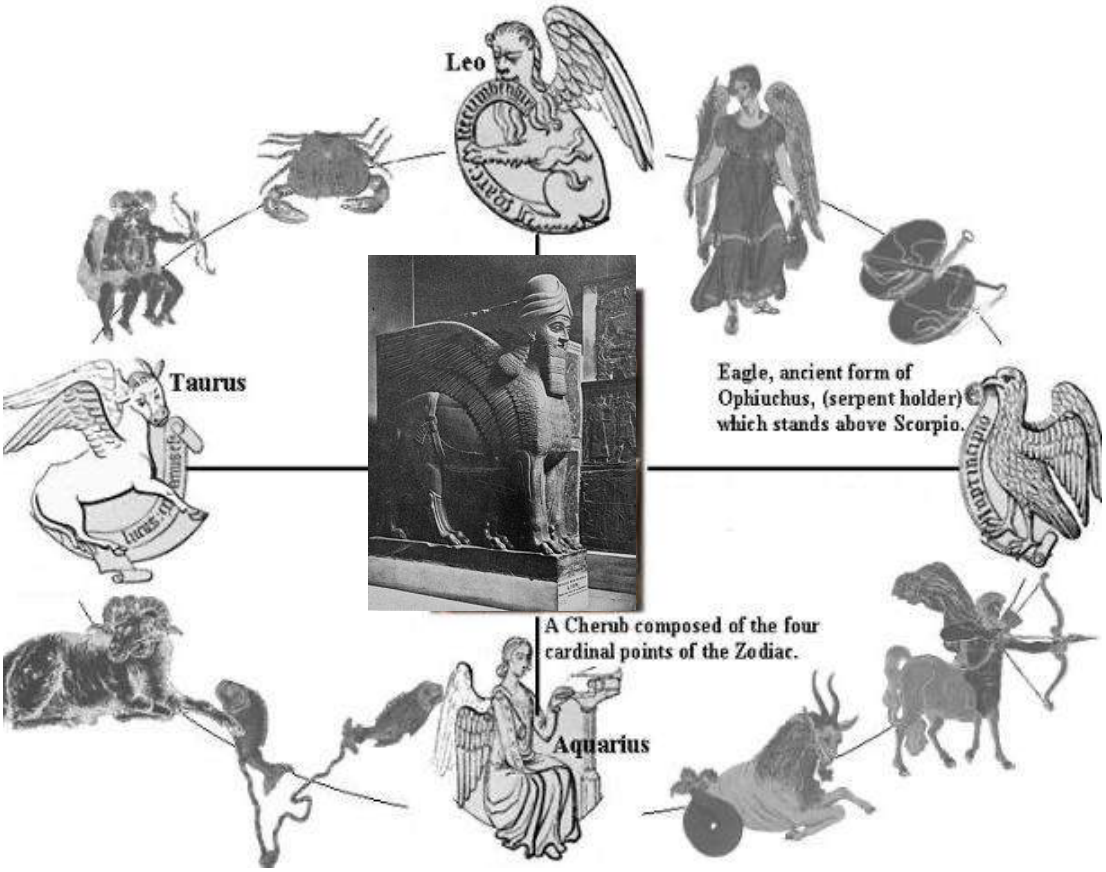
The Aether, or Absolute (The UNMANIFEST) Manifests into and as the Torus or Toroid which is MAGNETISM…Its the 3 Dimensional S-Curve of a Force Vector which is the inverse of INERTIA the (Release of Energy) its the reason for everything in the universe with Mass & Magnitude

There have only ever been 2 Postulates of Reality..
ATOMISM and AETHER SCIENCE
If you're a Hammer Everything's a Nail..and if you're an ATOMIST Everything is a PARTICLE…
Materialists explanations are actually excuses when they say MIRACLES MAGIC or simple THE MUSIC OF QUANTUM PHYSICS
-With Aether Science, Mother Nature is PRESSURE MEDIATION, Everything is Conjugate fields
-KEN WHEELER

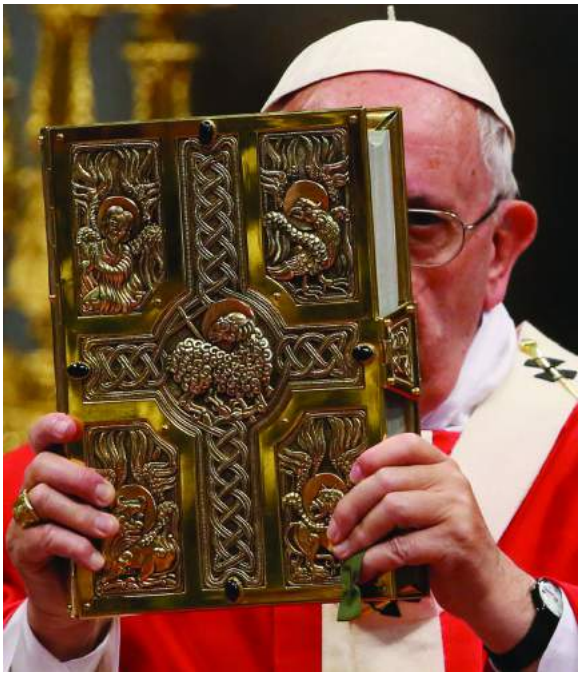
Our physical BODIES are the SALT of the EARTH our SOULS however are not made of SALT or DUST, it RETURNS to the AETHER
We are Spirits in a Human Vessel…The Human Body is just the AVATAR God uses when DREAMIN up this reality..we are the SOUL which is LIFE ITSELF, PURE NON CARTESIAN ENERGY, which is ETERNAL and UNCONDITIONAL.
We are All FRACTALS on INFINITE CONSCIOUSNESS..PURE ENERGY

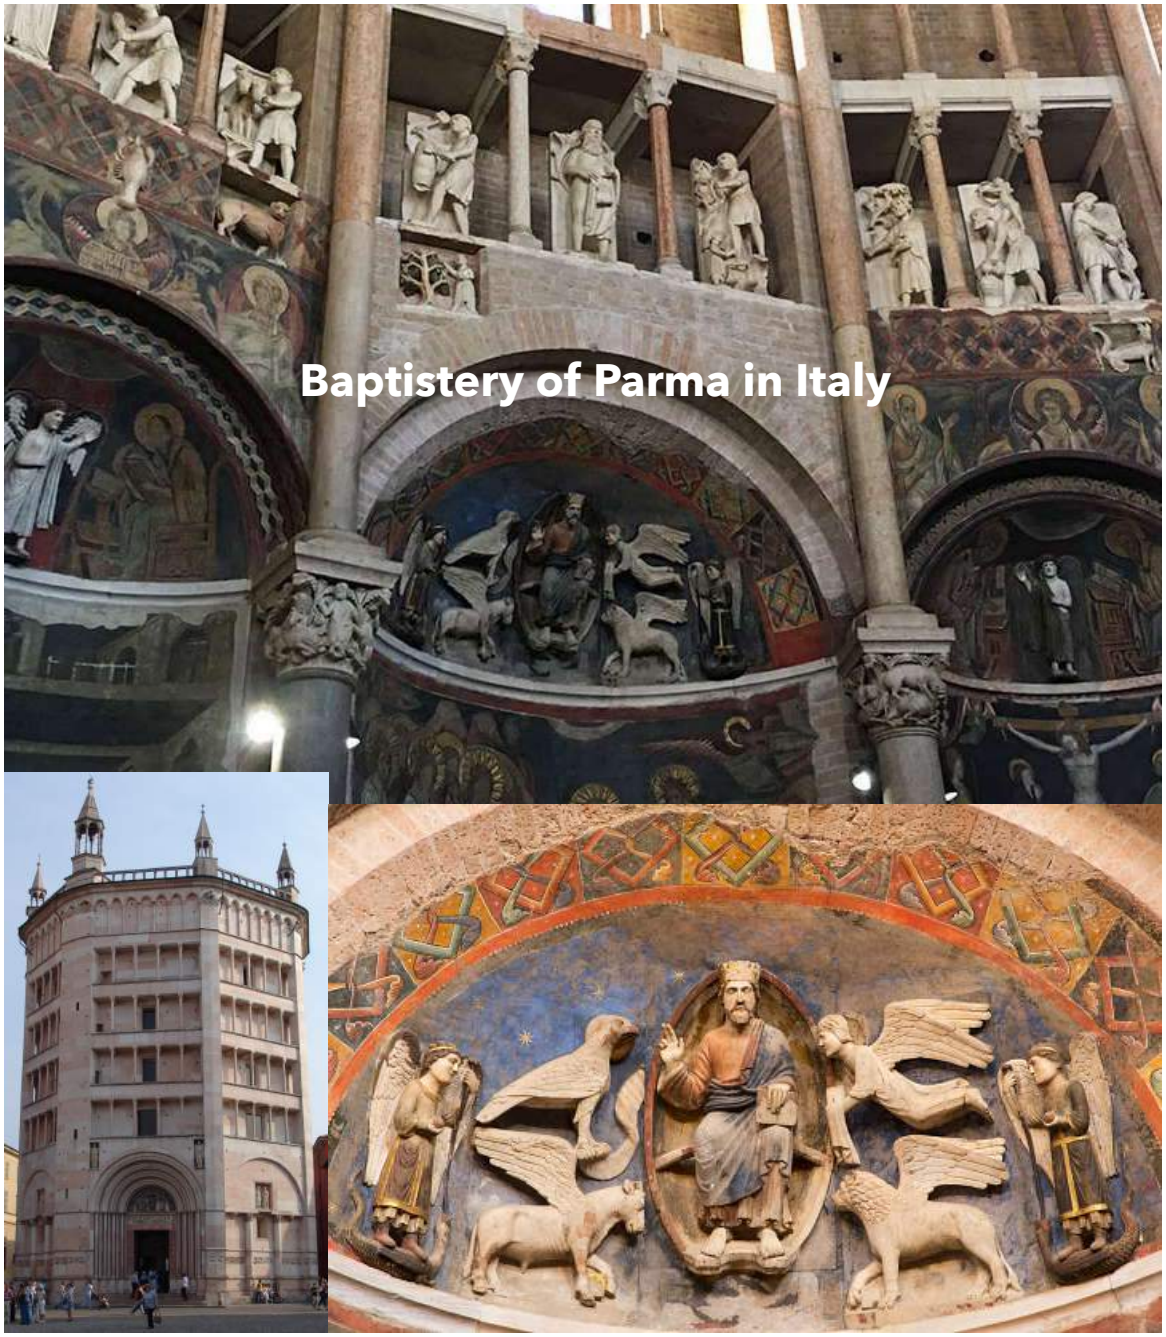
"My soul is not contained within the limit of my body, my body is contained within the limitlessness of my soul" -Jim Carey

Lammasu is the Assyrian God Representing Tarus, Leo, Aquarius and Scorpio



The Bible is not to be taken as a literal Historical Document of the Roman Period. Jesus is the part of you that you must find within yourself and awaken to become Christ. To see the world through the Minds Eye, The Universal Mind. All is one, One is All.





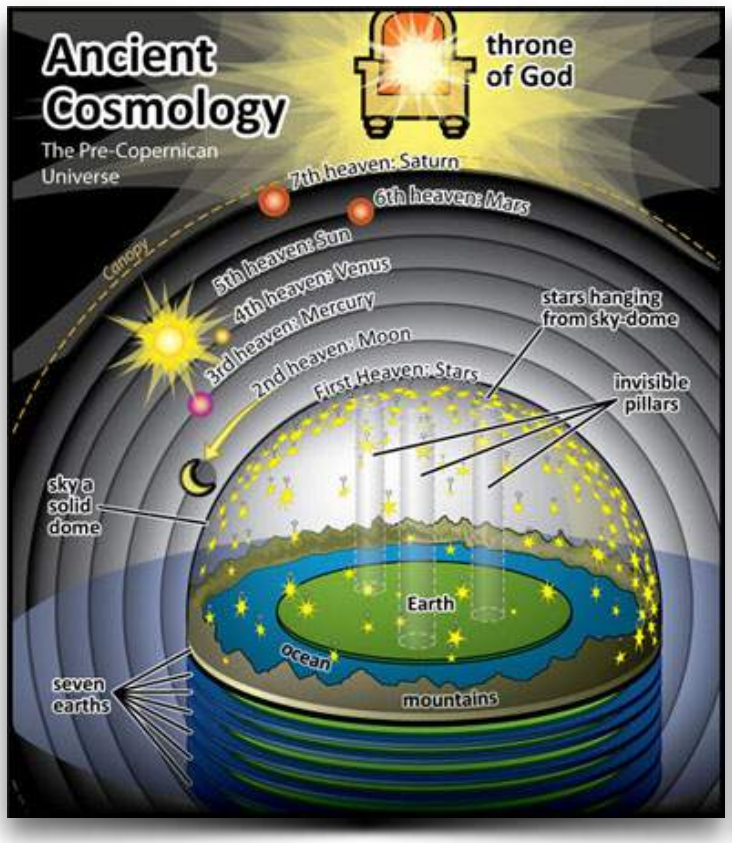
Revelation 4:6 The first living creature was like a lion, the second living creature like a calf, the third living creature had a face like a man, and the fourth living creature was like a flying eagle. The four living creatures, each having six wings, were full of eyes around and within. And they do not rest day or night, saying: "Holy, holy, holy, Lord God Almighty, Who was and is and is to come!"

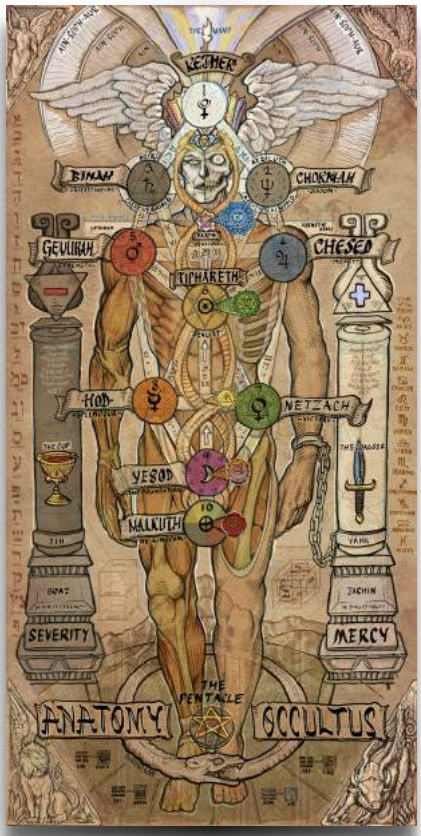
The Tree of LIFE represents Oneness (ETERNAL GROWTH)

The Tree of Knowledge of GOOD & EVIL represents Duality (BIRTH & DEATH)

EDEN = ONE in Macedonian

We were Exiled / Cast Out from the Garden of PURE NAKED UNADORNED RECURSION & so God gave us Garments for the Harsh Cold WINTERS that come along after SUMMER.





We are here to Experience Explore & Express ourselves & anyone who is against that or wants to prevent us from doing so is acting against God and anything else that is Good because God is Good & The Devil is Evil.

The CENTER of the UNIVERSE is known as MOUNT MERU in INDIAN/ HINDU Cosmology. The SANSKRIT/HINDI Word for SPINE is MERUDANDA. The HEBREW Alphabet is known as The MERUBA and the Great Pyramid of Egypt was called MER meaning Place of Ascendance.

JONAH 1:4 THE LORD PROVIDED A FISH TO SWALLOW JONAH FOR 3 DAYS AND 3 NIGHTS

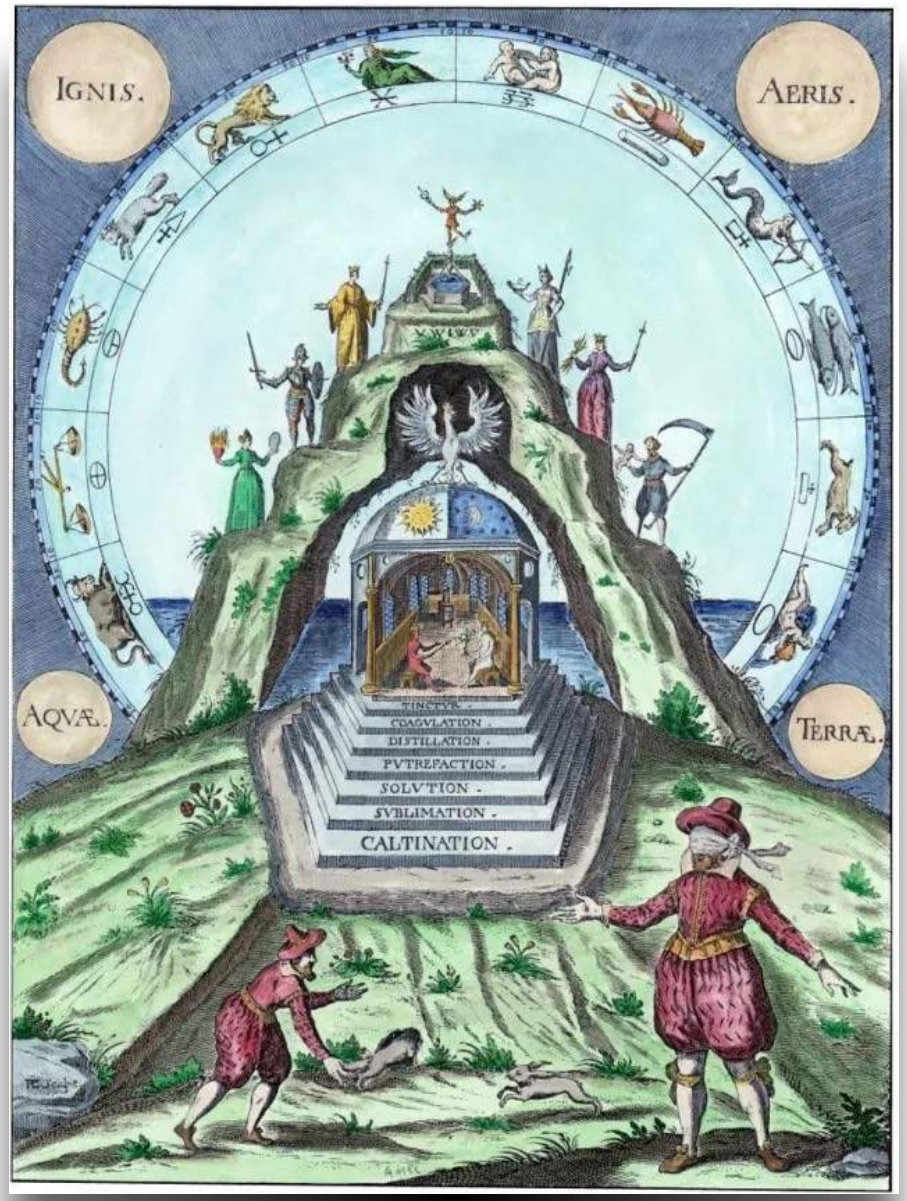
WE CAN CHOOSE TO RESONATE WITH THE ONE PATH OF NON-DUALITY WHICH REPLACES JUDGEMENT WITH LOVE AND ACCEPTANCE..EVERYTHING IS HAPPENING TO YOU FOR YOUR GREATEST BENEFIT..ITS A GAME SO HAVE FUN, AND DO GOOD!

THE GOSPEL OF THOMAS: VERSE 48

If the 2 make peace with each other in this 1 house they will say to the mountain move and it will move away

THE GOSPEL OF THOMAS: VERSE 106

When you make the 2, Thought and Emotion become 1, you will say move to the mountain and it will move



Why does Aliester Crowley say do what thou wilt? We are the FALLEN ANGELS or Angles of light that came here to Experience Express and Explore Ourselves and our Surroundings.
We are not meant to be LIMTED or RESTRICTED. Our SPIRIT is an UNSTOPPABLE FORCE that allows our BODIES to be MOVABLE.
Together Spirit and Body, we are MANKIND / Man and Woman.
Fractals of Infinite Consciousness with our own FREE WILL.
Don't be an EXTRA, be the MAIN STAR or an Ascended MASTER.
Earth spells Theatre, The EARTH is a STAGE

I only care about FACTS, LOGIC & WIDSOM; Thank you Ken Wheeler.. I don't THINK the ANU-Na-Ki are literal specific beings that came from heaven down to earth. I Either know or I Don't Know. There are only Minerals Plants Animals and Humans on Earth, Everything else is AETHER Energy. All physicality is sustained by motion and if something does not vibrate, then it returns to its primordial state which is rest and stillness. The Heavens or Luminiferous Aether is that which carries the Luminaries, hence Anu is Heaven and Ki is Earth.. We are the Anu-Na-Ki, or Elohim, also called Angles of light. The Unmanifest becomes Man, in full physical Manifestation. The 5 M's that can be remembered to UnderStand InnerStand and OverStand our Reality goes as follows:The Monad becomes Magnetism becomes Mind Becomes Matter Becomes Man. For Man both Man and God have twofold to their nature. The Superior part is Invisible and the Inferior part is visible.

PTAH = BDAH

Ptah is Buddha, The Awakened One

SERAPIS = AUSAR + APIS

The Serapeum in Alexandria was a Greek Temple built by Ptolemy III where Serapis was Celebrated. Serapis has a BOWL on his head, representing the BULL. The Bull was known as APIS in Egypt which was a symbol of Strength and Fertility. The Bull was able to Rip Open its Enemies with its horns, Therefore Ausar-Apis was Awakened One..His 3rd eye was OPEN.

The Right Eye of Horus is the Sun The Left Eye is the Moon

The LION and the LAMB are depictions of 2 aspects of Jesus' nature. He is both the Conquering LION of the Tribe of Judah and the LAMB that was Slain. Alpha and Omega

The Higher the Climb, the Harder the Fall.
But There is no FALL if there isn't any CLIMB.
NEUTRALITY doesn't FALL because it doesn't RISE.
The MIDDLE way, is STILLNESS and PEACE.

Matthew 5:37 Let your yes mean yes and your no mean no. Anything more than this is from the evil one.

Revelation 3:16 So, because you are lukewarm, neither hot nor cold, I am about to spit you out of my mouth.

God is Eternal // SPIRIT ENERGY Green = 1
The Devil is Temporal, Birth and Decay // MATTER Red and Blue = 2

Its better to be Certain and Clear rather than being Uncertain and Unclear. Its better to ADMIT that you Know or Dont Know rather than to LIE in order to justify your or someone else's beliefs, or to choose both or no options due to UNCERTAINTY. The entire Bible is literary, in fact it's the Greatest Story Ever Told…But its just a Story and the Characters in the Story aren't real - RIP Jordan Maxwell

Mars is the GOD OF WAR And Conquest

Venus is the GODDESS OF LOVE And Liberation

The Primordial Drives of MAN

The 7 ELOHIM / The 7 ENTITIES / 7 ENERGIES

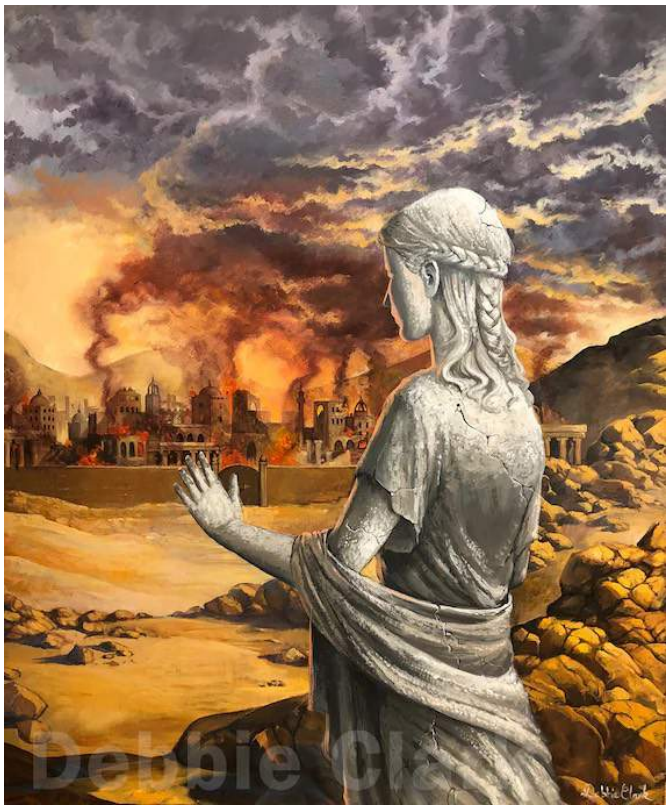
We are Energy in the Form of a HUMAN BEING

A Hue-Man Being is an Energy Form or Frequency which is an ANGLE of Light also called an ANGEL that has Materialized in order to Express itself in a Fleshly Body. To EXIST is to EXIT from the ETHER and to APPEAR as Physical, Audible And/Or Tangible. We've Become a Temporary MANifestation or BEING which means TO BE.

Mars can be Righteous Anger or Bitter Anger

And Venus can be Love or Lust. SAINT MARY the VIRGIN is PURE and MARY MAGDELENE is a Prostitute.

These are Eternal Forces that Motivate Man We are led to believe that Earth is Between VENUS and MARS. We know the Heart is between the Veins and Arteries called the Venus and Arterial System.

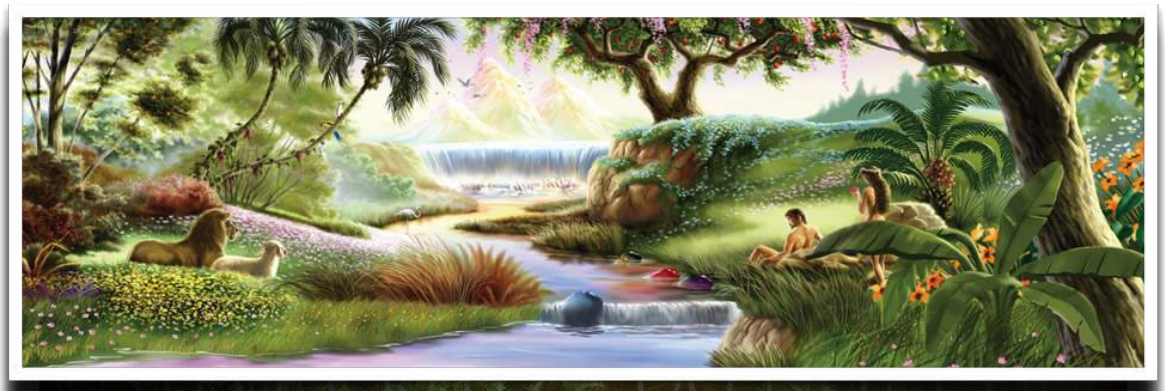


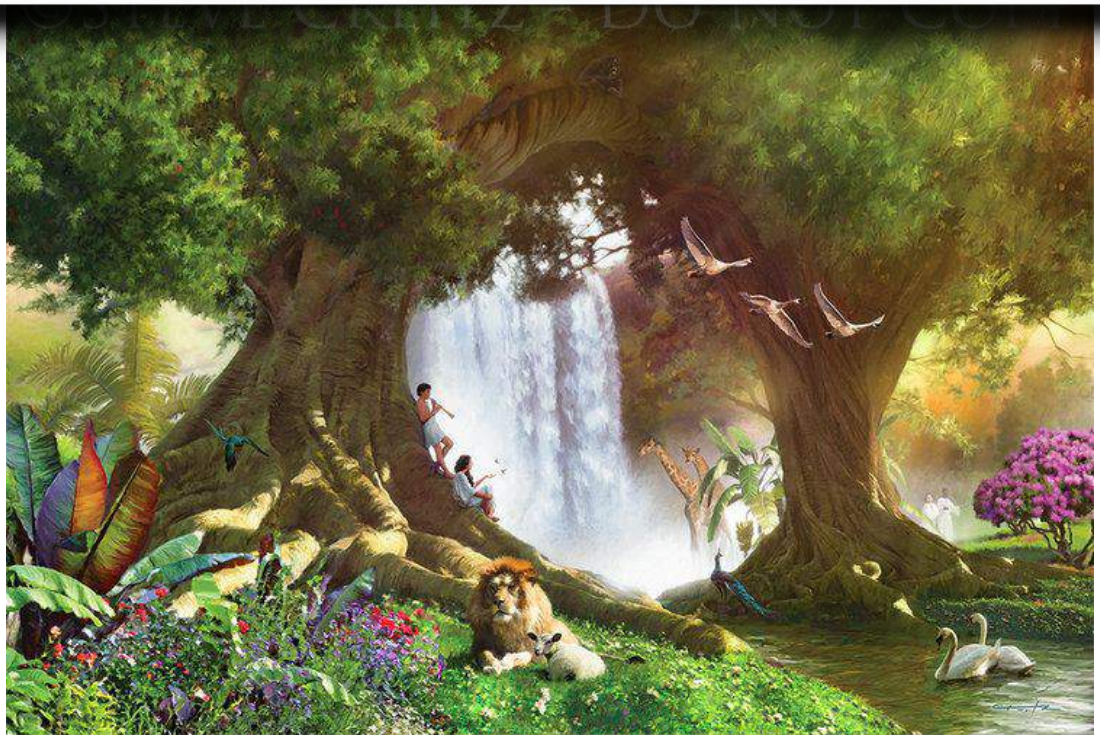
ARES is CLOTHED & APHRODITE is NAKED
ARES is in RED CLOTH & APHRODITE is in WHITE CLOTH
Fire is RED and Salt is WHITE

Jude 1:7 Even as Sodom & Gomorrah and the cities about them in like manner giving themselves over to Fornication & Going After Strange Flesh, are Set Forth for an Example, Suffering the Vengeance of an Eternal FIRE.
Genesis 19:26 But Lots' Wife looked back, & she became a pillar of SALT

Genesis 6:2 The SONS OF GOD *saw that the* DAUGHTERS OF HUMANS *were Beautiful, & they took as their Wives whomever they chose.*
Genesis 6:4 There were giants in the Earth in those days; and also after that, when the SONS OF GOD came unto the DAUGHTERS OF MEN & they bare children to them, which became Mighty Men of Old & Renown.
The SONS OF GOD - ABOVE in HEAVEN
And the DAUGHTERS OF MEN - BELOW on EARTH

Luke 17:33 Whoever seeks to Preserve his life will Lose it, but whoever loses his life will keep it.
Proverbs 28:22 The stingy are Eager to get rich and are unaware that poverty awaits them.





As a Child in Youth we may be Curious and Eager to Discover what a Naked Adult Body looks like. We may not truly understand what LOVE or LUST is at such an Early Age, But as we continue to grow into Young Adults we might consider being with someone who is also in their Adolescence TO LOVE, MAKE MEMORIES and BE PARTNERS with. As an older Person perhaps we might Lust for a Younger Person to fulfill our Fantasies.

This is a Natural Concept of a Young Man with an Older Woman, or a Young Woman with an Older Man. Yin and Yang.

Fighting the URGES, the TEMPTATIONS of LIFE. Mind over Matter. The Deceiving SENSES of the BODY / LOWER MIND can OVERSHADOW the Higher Ethics Morals and PRINCIPLES of Man.

PAIN or PLEASURE / FORCEFULLY or WILLINGLY

In the Bible There will be a New City that appears in the clouds known as The NEW JERU-SALEM.

JERU-SALEM = HERU 🌞 SELENE 🌙

Revelation 21:23 The City will not need a Sun or a Moon to shine on it, for the Glory of God gives it Light, and the the LAMB is its LAMP.

This is in Reference to the Optic Thalamus or PTAHS LAMP. PTAH is the ILLUMINATED ONE,
Just like GUATAMA BUDDHA which means
"The PATH from Darkness to Light."
BDHA = PTAH = PATH
GUA=Darkness TAMA=Light 💡

Revelation 22:2 In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.

THOR is the only one who is WORTHY enough to LIFT the LIGHTNING Hammer just as king arTHUR is the only one WORTHY enough to LIFT the sword out of the stone. Our energy is raised from the sacrum bone to the crown as it passes through our THORax which would be the TORso section of our bodies that contains 12 vertebrae of the 33 vertebrae that are separated by 12 discs and carry 12 ribs on each side. Jack climbs the BeanStalk and he reaches the GOLDEN EGG surrounded by Grey Clouds or Optic Thalamus which is surrounded by Grey Matter in the Brain. The Thalamus or The Lamb is what becomes the Lamp as it is Ignited and Activates trillions of dormant DNA cells in the brain. Your Spine is the HIGHWAY to the Infinite as it is the Axis which allows Access to the Akashic Universal Records. This is how you become an Astral traveller or LUCID DREAMER in the AKASHA. You are now, going to be & always have been an Akasha-Naut, A Common Shaman & AWAREWOLF in the MATRIX.

There is an Esoteric meaning Behind glo-BULL-ism
If you believe in the BALL, You are Empowering BAAL

The Universe has a BODY MIND and SOUL
The Earth is the Body = 7,920 Miles in Diameter
The Moon is The Mind = 2,160 Miles in Diameter
The Sun is The Soul = 864,000 Miles in Diameter

If a 6 Ft. Man Himself is 72 inches Tall and Wide then
7.2 + 7.92 + 2.16 + 8.64 = 25.92
(Phi)1.61 x (Phi)1.61 = 2.592
The Great Year = 25,920 Years

Leonard Davinci said that "Man is the Measure of the Universe." & that "The Workings of the Human Body is an analogy for the Workings of the Universe."
